

# Art Contest!

## 2010 Contest Rules

- Art contest open to all students in PreK-12th Grades
- Art may be entered using any medium including, but not limited to, paint, watercolors, pastels, oil, colored pencil, crayon, pencil, charcoal, ink, markers
- Only two-dimensional, flat art will be accepted
- Computer-generated art and photographs will **NOT** be accepted as entrants in contest
- Artwork must be within size range of 11x14 to 20x24
- Entries must be received by, and delivered to, the UNC Nutrition Research Institute (NRI), North Carolina Research Campus, 500 Laureate Way, Kannapolis, 28081 by 5:00 p.m. on Friday, May 14, 2010
- An Entry Form **MUST** be completed, with signatures, and taped to the back of each artwork submission. Entry forms are available at your school, the UNC NRI facility and on our web-site, [www.uncnri.org](http://www.uncnri.org)
- One overall award and prize will be given for the best representation of the theme, "What Revs Up Your Metabolism?"
- Judges will choose 1st, 2nd and 3rd place winners from each age category for eligible awards and prizes and one overall Grand Prize winner
- Winning artwork will become, and remain, exclusive property of UNC NRI, which reserves the right to use the art in advertising, marketing materials, news releases, as well as the right to reproduce, sell, or donate the winning artwork
- Non-winning art can be reclaimed within one month after the contest. Non-winning art not collected by the artist during the month following the contest, will also become exclusive property of UNC NRI
